Accueil

A contact form is centered on the page, overlaid on a background image of a dirt road stretching into the distance under a dramatic, cloudy sunset sky. The form is contained within a semi-transparent rounded rectangle. At the top of the form, the word "contact" is written in a white, sans-serif font. Below this, there are four input fields: "Nom" and "Prenom" on the top row, and "Gmail" and "Téléphone" on the bottom row. Each field is represented by a light gray rounded rectangle with its label in white text above it. Below these four fields is a single-line text area for "Vos commentaire", indicated by a thin white line. At the bottom of the form is a wide, rounded button with a horizontal gradient from purple on the left to green on the right, containing the word "envoi" in white text.
